Please note:-

- Membership fee - covers affiliation to Volleyball England, which in turn provides public liability insurance. It also covers all necessary volleyball equipment for the sessions. For teams it also covers all VE competition entry fees and player registration (& transfer if necessary).
- NVL members must make payment of VE registration fee and transfer fee (if applicable) prior to registration with Volleyball England as their first installment payment.
- It is the members responsibility to ensure all payments are made by 31 May each year. If you require a balance at any point email treasurer@rigavolleyball.com
- We really want all our members to attend every week and get the most benefit from the Club. Club fees are similar to gym fees and, unless otherwise stated, are an annual amount payable regardless of attendance at training or matches. The Club incurs the costs of the team (sports hall, league entry etc) regardless of the number of individuals attending each week.
- The Club committee reserves the right to charge members additional fees to cover any additional training sessions beyond regular sessions.

Riga Volleyball Club aims to provide opportunities for players of all ages and abilities to reach their volleyball potential
